ROC.No.360/52 dated 17-11-52.

Sir,

SUB: Acts and Rules - Market Committees - Sale proceeds in the Market Yard - Separate accounts Opening of a Current Account in the Canara Bank Ltd., - permission requested.

This Committee has opened a Market Yard at Mangalore for sale of the notified commercial crops, coconuts, copra and arecanuts. These commodities are being received through transport lorries from different parts of the district and sold by the Committee at the request of the ryots through "Chit-bid" auction. It happens sometimes that the seller (the particular ryot) will not be present at the time of the sale of the crop and this amount thus the amount realised through these particular sales will have to be kept undisbursed in the office of the Market Committee.

This amount realised by sale proceeds of the crops of ryots is not a revenue of the Market Committee and thus cannot be remitted as receipts of the Market Committee. The amount has to be accounted for separately as "Temporary Deposits" . It is therefore necessary to open a separate account in respect of the money received as sale proceeds of crops, so that the undisbursed amount of the any particular day may be deposited in current account and disbursed to the particular ryot either through cheques or in cash as and when required by them. If this account is opened at the Imperial Bank of India, it will be difficult for the ryots to arrange encashment of the cheques because most of these ryots live in interior villages of the district.

After a due consideration of the above points, this Market Committee at its meeting held on 25-9-52 passed ~~xx~~ a resolution (No.4) that a current account may be opened at the Canara Bank Ltd., Bunder, Mangalore and the Secretary of the Committee was authorised to operate on this Current Account.

The Canara Bank Ltd., is a Sheduled Bank and has a number of branches throughout the district and thus it will be easy for the ryots to get the money through this Bank. I therefore request that I may be permitted to open a Current Account in the above Bank to enable me to remit the undisbursed sale proceeds of the Market Yard to the above account.

Early orders may kindly be issued.
